Hi Dan,

FYI – Melissa Gildersleeve left me a voicemail saying that she and Kelly heard we acted on the Spokane package. Kelly was at the legislature testifying today. I've asked Kathleen to call her back and let her know that's not the case but that we are hoping to act on the submittal before the end of the calendar year (that's what Tom told the taskforce as well yesterday – he said that meeting went well). Not sure if Kelly also called you.
